

A FOOD JOURNEY

Delicious starters from three centuries

1600
1700
1800

An historical journey through time that with food and drink takes you from 17th century's salty tastes via the 18th century's spicy tastes to finish with the 19th century's sweet.

You travel with the help of a narrator, in milieu from the different centuries. From the time when Långholmen was a Mansion House, to the day's of the Spinnhuset (women's prison) to finally finish in the part of the building that was used when Långholmen was a gaol. While you enjoy aperitifs typical of the period, you can learn about the exciting history on Långholmen and the food you are going to be offered. *The event is best suited as a starter with following dinner.*

Bob appétit!
