

# *The Spin House Mystery*

*Food, milieu and mystery on Långholmen*

*Experience an unforgettable evening in unique and exciting surroundings. At the end of the 18th century a murder was committed in the old spin house. As you know, there is a statute of limitations for crime in Sweden. This case was NEVER solved, so to escape from our laws you are transported back in time. Can you help the Swedish legal system solve this unsolved case?*

*You are welcomed with an aperitif in the old Crown Remand prison where Oskarsson, the singing screw, transports you to the right epoch. Food is then served in the Spin House's dining room, where the plot starts.*

*Playing time ca. 2.5 hours.*

*The Spin House Mystery is a performance based on collaboration, i.e. it is performed just as much with as for the audience.*

*It is of course primarily an entertainment by our actors.*

*Who is the murderer?*

*Included in the event are a welcome drink,  
three-course dinner and coffee.*
